## Karl's Future Captivity To Be Decided By Allies; "Little Entente" Quiet

Former Emperor and Consort  
Weep as Attempt to Regain  
Throne is Thwarted

HUNT REMNANTS OF ARMY

Monarchist Leader Surrendered  
By Own Forces to Assure  
His Safety

By United Press Leased Wire  
Vienna.—Guarded by two companies of soldiers, former Emperor Karl and his consort wept Tuesday as they sat in an upper room of the Chateau Tolls, near the field where their troops were crushed in battle.

They will be detained in the castle until the allies send instructions as to what shall be done with them. Both were very downhearted. A close watch was kept on Karl, lest he attempt suicide. The former Emperor's wife, Empress Zita, implored the officers in charge of them to get some word of their children who were left in Switzerland when the desperate campaign to regain the throne was launched less than a week ago.

The remnants of Karl's army, which tried to capture Budapest, were being hunted down Tuesday. The last village held by the royalists capitulated Tuesday and the last organized body of troops surrendered.

Karl was turned over to Regent Horthy's troops by his own body guard it was learned Tuesday. After he had fled from the battle field in a special train and reached Komorn where he rejoined Zita, the advance guard of his pursuers was so close at hand that it was deemed expedient to give him up for the sake of his own safety. He was treated very respectfully.

Warrants have been issued for Raszkovik, Colonel Lehar and other officers of the monarchist army. Horthy in a proclamation to the troops stated that as regent he had power to hold the reins of government until he deemed it expedient to hand them over to his sovereign. If they were handed over at this time he said, the result would be ruin for Hungary.

With Karl and his empress prisoners the nations of the "little entente" which threatened to march on Hungary if the former ruler were not expelled, continued to make preparations for war. "Czechoslovakia" has demanded an ultimatum on Hungary, demanding disarmament of the "militarists." Karl's followers have been disarmed but thousands of troops remain under arms in Hungary and Czechoslovakia.

Royalists throughout Hungary who only a few days ago were hanging their flags and running into the streets to cheer Karl were reported leaving their homes and going into hiding Tuesday. Regent Horthy who twice within one year has had the task of defeating an attempt to seize the throne, has issued orders for arrest of royalist sympathizers.

## HARDING ON FIRST SOUTHERN TOUR

By Raymond Clapper

By United Press Leased Wire  
Albany, N.Y.—President Harding left Washington at nine o'clock Tuesday on a four day speaking trip into the heart of the solid south.

Birmingham and Atlanta are the chief stops scheduled on this southern swing, the first he has taken since he has entered the White house. He drops off at Camp Benning, Ga., to inspect the infantry school there Thursday morning.

The presence of two cabinet members, Secretary of War Weeks and Secretary of the Interior Fall, indicated that important conferences will be held on the train.

Harding expects to keep in close touch by telegraph with the railroad strike situation.

## BODY OF UNKNOWN SOLDIER COMING

By United Press Leased Wire

Havre—France Tuesday said farewell to the unknown American soldier, going home for his state burial at Arlington, among the nation's heroes.

The church bells tolled a requiem as his train rolled slowly into the yards. The flags dropped at half staff. Thousands of people, bareheaded, thronged the long mole and the points of vantage about the harbor to say goodbye to him.

## MEAT DEALERS SELECT OSHKOSH FOR MEETING

By United Press Leased Wire

Oshkosh—Oshkosh was chosen as the meeting place of the 1922 Wisconsin Retail Meat Men's association convention at the closing session of that body here last night.

Resolutions were adopted favoring disarmament, but the delegates refused to concur in a resolution which provided for the annulment of the eighteenth amendment.

Jacob Herman, Milwaukee, was elected president.

## HELLO GIRL STOPS PANIC IN OFFICE; GIVEN VAIL MEDAL

Janesville.—As a reward for bravery and coolness while on duty which prevented a panic and probable injury to employees, Miss Anna M. Keating has been presented the Theodore Vail medal by the Wisconsin Telephone company.

Miss Keating was on duty when trouble developed in the heating plant. Steam filled the room, alarming the operators. Through Miss Keating's coolness a serious accident was avoided and service was uninterrupted.

## CANDY AND JEWELRY WILL HIT SKIDS IN MONTH, SEER AVERS

Milwaukee.—The power of labor will be on the decrease during November, Chas. A. Kirschhoff, astrologist announced here Monday night. In his consultations with the astrological bodies upon which he based certain forecasts for the month of November, he stated the price of candy and jewelry would drop.

He further advised the stars forecasted November as a good month to save money, but not for speculation.

## KARL FAILS AGAIN!

Former Emperor Karl

Former Emperor Karl of Austria, has failed a second time in his attempt to recover his former power. His own troops surrendered him to the Hungarians and he now is at the mercy of the allied powers.

## U.S. Capital Teems With Bootleggers

## WISCONSIN FIRST STATE TO DEMAND TRUST DAMAGES

Attorney General Morgan to  
Follow Up Government Fight  
Against Cement Trust

By United Press Leased Wire  
Madison.—Attorney General William J. Morgan asked authority of Governor John J. Blaine Tuesday morning to file suit against the Midwest Cement association for treble damages growing out of alleged violations of the Sherman anti-trust law. A successful conclusion of this suit would result in fines totaling many millions of dollars.

The attorney general's request is the outcome of a cooperative effort on the part of his department and the United States government to break an alleged combination of cement manufacturers. The government has had indicted an eastern association of cement makers and Monday filed complaint in the federal court at Chicago against the Midwest association.

Morgan's intent is to follow up the government's activity with the damage suit for the state. Such action will be the first in the history of the nation, in which a state, acting in proprietary capacity, demands treble damages, provided under the Sherman act for damages alleged to have been suffered through the machinations of a combination.

The outcome of the suit will have a tremendous effect on highway construction. Twice in the past three years concrete highway work has had to be abandoned by the state highway commission because of the "extreme high prices of the ingredients."

## LEMBERGERS FREE OF PERJURY CHARGE

By United Press Leased Wire

Madison.—Charges of perjury against Mrs. Martin Lemberger and her 19 year old son, Alois, in connection with the murder of a seven year old daughter, Annie, 10 years ago were dismissed by Superior Judge A. C. Hoppmann this morning on a motion of Special District Attorney Ralph Jackman.

Prosecutor Jackman, in requesting the dismissal of the perjury warrants, specifically explained that in taking the action he was in no way passing upon the falsity or truth of the statements made at the sensational "Dogskin" Johnson parlor, hearing several weeks ago which resulted in the securing of the warrants by Attorney C. A. Stolen, representing Johnson who is serving life sentence for the death of the child.

Judge Hoppmann, following Prosecutor Jackman's statement, immediately dismissed the charges and ordered the defendants released from custody and their bail of \$1,000 each returned.

## OFFERS \$5,000 REWARD FOR GOTHAM MAIL ROBBER

By United Press Leased Wire

Washington.—Postmaster General Hays Tuesday offered a reward of \$5,000 to any person who brings in dead or alive, any one of the mail robbers who was implicated in the New York City mail holdup.

Reports to the department, as far as is known, indicate that the loss of money will not exceed \$50,000.

## Des Moines People Again Traveling In Street Cars

Des Moines, Iowa.—Des Moines rode to work in street cars Tuesday for the first time in ten weeks.

Cars, locked in the barns when they couldn't stand the competition of busses which only charged a five cent fare, were brought out on orders of Federal Judge Wade and resumed service at the old fare of five cents.

Judge Wade's order is temporary, allowing cars to operate for one month and at that time the city council is expected to grant the trolley company a new franchise.

Under the judge's order, busses are prohibited from operating on streets where the trolleys run. Buses owners plan a fight on this before the council.

Street car service was suspended ten weeks ago when the company, the hands of a receiver, lost \$25,000 a month because of competition of busses.

## Illicit Liquor Traffic Is Carried on by Huge System Right Under Nose of Uncle Sam—Lid off During Arms Parley.

By Carl D. Groet

Washington.—On the eve of the disarmament conference, with its host of foreign guests the national capital is flooded with bootleg booze.

Despite prohibition agents efforts to squelch this illicit trade and to refute stories that Washington is one of America's wettest cities—with the lid lifted for the conference—a bootleg army including women, college graduates, ex-aviators, negroes, whites, foreigners, is pursuing a systematic sale and distribution of liquor.

It can be obtained at from \$8 to \$20 a quart on an hour's notice.

Women are among the cleverest of the bootleggers' aides. They have entree in select apartment houses, distributing their illegal wares from that point.

Believe Consumption Checked

With the legalization of medicinal beer, officials believe the capital will become even "wetter." Although dry agents believe they are gradually beginning to check bootleg consumption, their admissions, plus independent inquiry shows:

1. There is plenty of liquor in Washington. It can be had even in hotels. In hotel billboards charge \$20 a quart.

2. Routes like milk men's or bakery are established to facilitate distribution. Armed autos, sometimes with a woman for a "blind" sneak booze in from Maryland, Pennsylvania and New Jersey.

3. The courts, according to District Probation Commissioner Stephenson, due to laxity or overcrowded dockets are hampering enforcement. Over 7,000 bootleg arrests were made in the fiscal year 1921 ending in July.

Since then there are already 500 "pending" cases; in 250 cases fines have been imposed, two hundred forfeitures of collateral have been made, eighty booze automobiles have been seized but none permanently confiscated.

Congressmen Have It

4. Bootleg can be found in the congressional office buildings. The senate office building brand is a bit better than the house office kind, some say.

5. Two prominent Pennsylvania avenue restaurants were filled Saturday night and Sunday morning early with drunken students—more public drunks than I have seen in nearly three years in Berlin, Paris, Brussels and London.

6. The lid, according to Commissioner Stephenson is tighter largely because National Lighter Harnes efforts to stamp out the main wholesale supply sources is making the bootleggers' efforts more difficult.

Imports Small

Stephenson pointed out the Washington bootleggers import only comparatively small auto shipments. The largest haul his office ever made was a 25 barrel lot hidden in a box car shipment with automobile tires.

"I admit," he said, "there is plenty of booze to be had and that it can be obtained in hotels, but I contend Washington is tighter today than ever. It is harder than ever to get real liquor. Most of the stuff sold is either poisoned or faked."

Stephenson admits the district is plotted off in routes but asserts there are few or no "master dealers." The only real "master minds" uncovered were the Butler brothers, negroes, now under arrest, who had amassed thousands of dollars and a string of fourteen automobiles for booze transportation as a result of their operation.

Not So Rampant

Senator Sheppard, Texas, dry leader, says, bootlegging is not so rampant as a year or two ago. Senator King, Utah, liberal, says while he doesn't drink himself, his friends declare that it is increasingly difficult to buy liquor.

But the Washington visitor finds it is still a simple matter to get a quart in short time. And, despite recent raids on hotels and mail holdings, brewing and distilling at home proceeds merrily in the national capital. Pure Scotch costs \$12; rye and bourbon \$10 to \$15; corn liquor "moonshine" about half as much and the negro bootleggers guarantee it to be "double distilled and twisted."

## SOUTHERN CITIES IN PATH OF STORM

Damage from Gale Along Coast  
Expected to Be Heavy—  
Communication Will Off

Jacksonville, Florida.—A fifty mile an-hour gale was reported blowing at Tampa just before all wire communication was lost with that city shortly after noon Tuesday. Street car service was reported interrupted, as was electric light and local telephone service.

Sweeping the entire west coast and southern end of the Florida peninsula and doing considerable damage to shipping and the coast, cities and towns, a terrific hurricane was sweeping north by east, according to wireless messages received at St. Augustine and relayed to Jacksonville.

Wireless dispatches advises three boats in the gulf have sent calls for help but their names were not given in the message.

## WANT DISTURBER OUSTED FROM HOUSE

Motion Is Introduced to Expel  
Congressman Blanton  
for Utterances

Washington.—A resolution to expel Representative Thomas L. Blanton, Democrat, Texas, from his seat in the house was introduced in the house Tuesday, by Representative Mondell, Republican floor leader.

The move to oust Blanton came as the result of remarks he caused to be printed in the congressional record on Saturday, October 22.

This language, not delivered orally on the floor but printed in the record as an extension of remarks dealt with a row between union and nonunion employees in the government printing office. The remarks, the resolutions stated, contain "filthy, indecent and obscene language, not worthy of a member of the house of representatives."

Under an agreement between Mondell and representative Garrett, acting Democratic floor leader, the resolution will be voted on Thursday.

## "Sickness" Expected To Increase Rapidly Under U. S. Beer Ruling

Milwaukee.—As a result of an announcement by Secretary Mellon allowing the disposal of beer on the prescription basis, manufacturers of that product which made "Milwaukee famous," announced here Tuesday they are ready to resume the brewing of full strength beer at once.

"We have been expecting this action of Secretary Mellon for some time," said F. M. Gabel of the Blatz Brewing company Tuesday morning. "If the regulations permit the prescribing of beer by the bottle, then it would not be worth while to resume the manufacture of beer at once."

It was learned Tuesday from authoritative sources that Milwaukee brewers practically all had been placed in readiness to start the manufacture of beer at once and were waiting for the announcement from Washington.

Chicago.—All that stood between Chicago and 30,000,000 gallons of real beer Tuesday was official notification to breweries that they could make delivery of their product to corner drug stores.

"The demand for real beer cannot exceed the supply," Anton Laatz, manager of the Atlas Brewing company, said in speaking of the state of preparedness Chicago found herself in when Secretary of the Treasury Mellon tilted the lid by signing regulations allowing the sale of medicinal beer.

The 30,000,000 gallons is all ready for consumption, Laatz stated. In addition to this sea of brew, vast quantities of beer that has not yet been aged are on hand in Chicago breweries.

"By the time the 30,000,000 gallons are gone," said Laatz, "the new brew will be ready to make a tonic."

And in the meantime, the well got sick and the sick got sicker.

## CONGRESS TO DECIDE ON NEW MILWAUKEE P. O.

Milwaukee.—Whether Milwaukee will have a new postoffice building or not will be decided in December at the regular session of congress, according to Postmaster Schutz, who returned from Washington Monday night.

## ARMS PARLEY DATE IS CHANGED TO NOV. 12

Washington.—The opening of the limitation of armaments conference will be postponed from Armistice day, November 11 to November 12, it was announced at the state department Tuesday.

## Elks Dedicate New Temple At Eleventh Hour

By United Press Leased Wire  
Milwaukee.—At 11 o'clock, the Elks' mystic hour, dedicatory services at the site of the new Elks temple were held here Monday night.

Exalted Ruler Chauncey Yockey, was in charge of the ceremony at which more than 1,400 members were present.

Before setting forth to the dedicatory services, the Elks voted to present the children's free hospital with an ambulance.

## Meeting With Rail Board Moved to Be Only Formality to Accept Terms

RATE CUT INCLUDED IN PACT  
Telephone and Telegraph Carry  
Negotiations for Conclusion of Strike Move

By Harold D. Jacobs  
Cleveland, Ohio.—Secret negotiations were reported here Tuesday to be under way preliminary to the "peace conference" in Chicago Wednesday, which is designed to avert the railway strike, scheduled to begin Sunday.

While these reports were denied by the brotherhood chiefs, they persisted under the surface and were repeated with considerable detail.

According to unofficial information, these negotiations began between the railway labor board and the unions and between the board and the railway executives, immediately after failure of last week's board-union conference in Chicago to effect a settlement.

Hint Satisfactory Settlement  
They were said to have progressed to the point where the brotherhood and the railways had exchanged views through the board as a mediary. A settlement, it was declared, had been virtually agreed upon. One version of the proposed agreement was:

The brotherhoods will accept the July wage cut, and other reductions will be postponed.

The railways will translate the July wage cut into immediate freight rate reductions.

All working conditions and shop rules previously in effect will be retained.

Such a settlement, it was pointed out, would provide "peace, with honor" for everybody involved including the railway labor board which has demonstrated successfully the powers conferred upon it by the government.

With the brotherhood chiefs and their lieutenants, numbering several hundred, leave for Chicago shortly before midnight Tuesday they will be in a position, it was reported, to confine their activities to working out the details of a plan already drawn up and submitted to both sides.

Continue Conference  
"Many brotherhood chiefs and their advisers" continued their conferences here Tuesday. At the same time W. G. Lee, president of the Brotherhood of Railway Trainmen, made public a resolution passed Oct. 20 by the ladies auxiliary of that organization, declaring the wives, mothers and sisters of the men were in accord with the determination to strike if necessary.

Tuesday's conference of brotherhood chiefs held in the offices of Warren S. Stone, grand chief of the Brotherhood of Locomotive Engineers, ended shortly before noon.

"Things look good," declared T. C. Cashen, president of the Switchmen's Union of North America, when he came out and added significantly:

"The telegraph companies certainly are getting a nice thing out of this. The strikers would not accommodate the stations' hundred railroad executives and union leaders who have been ordered to participate."

Sessions of the chairman of the railroad department of American Federation of Labor—whose 1,400,000 members refused to join the 400,000 members of the brotherhoods in the strike—were over Tuesday. Just a fact of the American Federation of Labor leaders stayed over to watch the result of the railroad board conference.

No Word from Strikers  
The railroad board had not received any answer to its demand that strikers on the International & Great Northern railroad of Texas return to work. The strike started on this road last Saturday as a "warning" of the Sunday strike.

Houston, Tex.—Although freight and passenger trains are moving over the International & Great Northern railroad lines, whose switchmen and brakemen are out on strike, new freight consignments are not being accepted, it was announced Tuesday.

No definite date has been set for the lifting of the embargo, but officials are confident it may be lifted the last of this week or the first of next, according to E. G. Goforth, general manager of the road who is here watching the strike. Officials of the road here reiterated their statements made earlier Tuesday that there was "no tieup" and that they expected normal train service, both freight and passenger by Saturday.

## TARRELL GETS KONOP'S JOB ON STATE BOARD

By United Press Leased Wire

Madison, Wis.—L. A. Tarrell, for eight years chief examiner of the Wisconsin industrial commission, was Tuesday appointed as a member of the commission to succeed Thomas Konop, resigned. The appointment is effective November 1.

## Rescuing Of Cambria Crew Brings Medal

By United Press Leased Wire

Milwaukee.—The heroism of Captain Wm. Kincaid and his crew of coast guard men here was cited in orders from Washington here Monday night.

The treasury department commended the work of Captain Kincaid and his crew in rescuing the crew of the yacht Cambria which sank off the harbor here some time ago. The work of Surgeon Koch, public health service who made the trip to give medical aid was also commended.

## NEW CHANCELLOR OF GERMANY COMES AT CRITICAL TIME

United States Will Help German  
Financial Struggle if New  
Man is Congenial

By David Lawrence

Copyright, 1921, by Post Pub. Co.  
Washington.—Germany's cabinet changes are purely political and not economic.

Unless the new chancellor adopts an attitude of hostility toward fulfillment of German obligations to the allies, the new ministry will be of no particular importance externally.

This is the view taken in Washington where the approaching proclamation of peace between Germany and the United States is counted upon to help any new ministry in Germany provided that ministry shows the same good faith as did Chancellor Wirth in attempting to meet reparations payments.

Debt Payment Due  
The cabinet change in Germany comes at a critical moment. The next payment due the allies from Germany is Nov. 15. Official reports have indicated for some time that Germany would pay the installment five months' though there has been some doubt about her ability to meet the next one in March. The feeling here, however, has been that if the German cabinet were properly supported it would be able to consolidate the various elements in the situation so as to get-by the March payment, too. Nothing, on the other hand, would be regarded as more unfortunate than a tendency on the part of the new cabinet to assume a haughty attitude toward German treaty obligations. This, our people here believe, would give the German government a further excuse for the maintenance of a large standing army, and the continued expenditure of money for military establishments which ought to be devoted to the industrial rehabilitation of France if not to the payment of her own war debt.

American commissioner Dredel is on intimate terms with all the various political leaders in Berlin, and such indications as he gives of the impression changes here would lead to the conclusion that the new cabinet, particularly if controlled by Herr Stresemann of the Peoples party, would be as sincere as was Chancellor Wirth toward the allies.

Chancellor Wirth's downfall is directly attributable to the decision of the League of Nations council to divide Silesia but basically he was unpopular with the manufacturers, the farmers, the workers, the heavy taxers in order to raise the money to pay reparations. Official Washington is waiting to see how the new chancellor will handle the fiscal situation for upon it, depends whether Germany will be able to meet the terms of her financial agreement with the allies.

Section of the chairman of the railroad department of American Federation of Labor—whose 1,400,000 members refused to join the 400,000 members of the brotherhoods in the strike—were over Tuesday. Just a fact of the American Federation of Labor leaders stayed over to watch the result of the railroad board conference.

## LEGION OFFERS MEDAL TO BEST SCHOOL ATHLETE

Veterans Adopt Novel Plan to Stimulate Clean Play in High School

Charles C. Baker, commander of the Oney Johnston post of the American legion addressed students of the high school at the general assembly held at the high school Tuesday morning. He announced that the legion would present a medal to best athlete in school.

Mr. Baker gave a short talk on patriotism and citizenship. A medal will be awarded to the best athlete in high school each year. To receive the medal one must be a clean consistent player, one who will play for his school and his team rather than for himself. Contenders for the prize must not feature in athletics at the expense of their scholastic duties.

The American legion takes this method of instilling a spirit of citizenship in the boys as it is claimed.

## KELLER INSPECTS RURAL MAIL BOXES

Postmaster Urges Rural Patrons to Help Maintain Perfect Record

Rural mailboxes along three rural routes have been inspected by Postmaster Gustave Keller and the inspection of the fourth route was in progress Tuesday.

"Patrons," Mr. Keller said, "would be cooperating with the department for better delivery service if they would see that their mail receptacles were of the best approved type and in the best of condition. Posts on which boxes are placed should be set firmly in the ground. To make it more attractive and durable, the mailbox and the post should be painted white. The box should bear the patron's name and the number of the box."

"Many patrons have already inspected their boxes and made necessary improvements," Mr. Keller said. He asks those who have not done so to look over their mail boxes and remedy any existing inconvenience so that a 100 per cent perfect report may be made by this postoffice to the postal department.

## PROPERTY DISPUTE IS AIRED IN COURT

Hearing of the case of Mitchell Stevens against Melissa Cornelius was begun Tuesday morning in circuit court before Judge E. V. Werner.

All persons owing City Licenses must pay the same to City Treasurer by Nov. 1, 1921. Otherwise warrants will be procured.

## URGENT REPAIR OF COUNTY LINE-ROD.

Farmers Declare They Cannot Come to Appleton Because of Bad Road

Farmers along the county line road west of Appleton are contemplating an appeal to Appleton Chamber of Commerce and Appleton business men to enlist their support in a move to secure early improvement of the county line road.

Completion of the brick-paved "arterial" point out in the first stretch of a highway which taps considerable country heretofore crowded out of Appleton's shopping territory because of poor road connections.

With the exception of 1 1/2 miles in the towns of Greenville and Grand Chute, the Wisconsin-Appleton line road is in very good condition to the Waupaca-co. line and beyond.

People living west of the bad stretch of road have done their trading at Neenah and Menasha largely because the highway into the twin cities was in much better condition than the road to Appleton. In fact, the road in this direction, including the stretch now covered, was impassable at certain seasons and it was considered impossible to haul a load over it.

It is believed that if the remaining 1 1/2 mile can be given a substantial coating of gravel the road would be in fine condition for travel all the year round and an additional 150 families would be brought into Appleton's trading district.

## DEATHS

CONROY FUNERAL

The funeral of Capt. John Conroy, former assistant chief of the fire department, was held from St. Mary church at 8:30 o'clock Monday morning. The pallbearers were T. H. Ryan, George T. Prim, Stephen Balliet and Thomas Reider. Deceased was a member of the Knights of Columbus, Catholic Knights of Wisconsin, Catholic Order of Foresters and Holy Name Society. Among the out of town people who attended the services were Mr. and Mrs. Grady, Miss Lauretta Conroy, Miss Mayme Conroy, John Conroy and Jack Long, Chicago; Mr. and Mrs. Phil Salchert, Sheboygan; Mr. and Mrs. George Horkey, Milwaukee; Mr. and Mrs. Joseph Horkey, Menasha; Mr. and Mrs. Carney, Kaukauna.

MRS. WILLIAM C. ZACHOW  
Mrs. William C. Zachow died at her home at Buckbee, town of Larrabee, Waupaca-co. Saturday Oct. 22. The funeral was held Monday afternoon from the late home and interment was made in Marion cemetery.

She is survived by her husband, her daughter, Mrs. Fred Franke, two sisters, Mrs. Henry Konke of Grand Chute and Mrs. Nicholas Herman of Appleton, and one brother, Fred Krohn.

PAY FINES OF \$50 FOR TRAPPING OUT OF SEASON

William Buss and Raymond Gorm of the town of Maine returned to Appleton Monday afternoon and pleaded guilty to the charge of trapping muskrats out of season. They paid a fine and costs of \$52.50 each.

The two were taken into court Monday morning by Game Warden Arthur Tic. They entered a plea of not guilty and the case was set for hearing next Saturday. After the men left the courthouse they changed their minds and decided to return and change their pleas.

Autos in Collision

## 125 USED Y. M. C. A. GYMNASIUM THURSDAY

More than 125 men and boys helped swell the gymnasium class attendance to the highest number that has been reached thus far this season, Thursday afternoon and evening. More enthusiasm is being shown this season in the gymnasium and in the swimming pool. Swimming classes will be organized for men members. The classes will be conducted by R. E. Starkey, physical director. Classes will be held from 5:20 to 6 o'clock on Mondays, Wednesdays and Fridays.

Thrown From Wagon  
Francis Aldrich, 700 Franklin-st., was injured Monday when he was thrown from an American Express Co. wagon. His horse stumbled and threw him head first on the pavement at the foot of Appleton-st. hill. Two wheels of the wagon ran over his right leg. He will be confined to his home for a week or ten days.

## Healing Cream Stops Catarrh

Clogged Air Passages Open at Once—Nose and Throat Clear.

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get Ely's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head and membranes. Instant relief. How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or snuffing. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.

## TEACH BANKING AT ST. JOSEPH SCHOOL

Seventh and eighth grade pupils of St. Joseph school are to be given an opportunity to become familiar with banking in all its different phases. They are also to be given an opportunity to visit a local bank and observe how it conducts its business.

Arrangements have been made with W. J. Konrad, Jr., cashier of the Citizens National bank of Appleton for a series of talks during the winter, the object of which will be to take the secret out of banking. Lectures along other lines of business are also to be given during the school year.

A class of 22 eighth grade boys are taking manual training instructions weekly at Third ward school.

## WILL USE SUGAR BEET PULP TO FATTEN CATTLE

As soon as cold weather prevents pasturing, cattle and sheep will begin arriving in Green Bay to be fattened on sugar beet pulp from the mill of the Green Bay Sugar company. It is estimated that approximately 50,000 will be fattened for the market. This plan was tried out a year ago and worked out quite successfully, giving owners a cheap feed and utilizing the beet refuse that formerly was waste. The Northeastern Wisconsin fair grounds will be used to house the cattle until ready for market.

L. W. Martin of Blaney Land and Cattle company, "Blaney, Mich., is leading the movement to ship cattle to Green Bay, most of which will come from the upper peninsula of Michigan. Quantities of hay and grain also will be fed supplementary to the pulp diet.

## Damsheuser Honored

Carl Damsheuser, who graduated from Appleton high school in 1921, was recently elected a member of the Hesperia society of the University of Wisconsin. Applicants for membership must try out for the society by giving an extemporaneous speech or oration, following which the society holds a secret meeting and votes to receive or reject the applicant. The Appleton lad satisfactorily passed this test, having established something of a reputation for himself as a speaker while attending Appleton high school.

## 500 EMPLOYEES WILL JOIN STRIKE NOV. 3

If a railroad strike is called, employees of the Soo Line will walk out at 6 o'clock in the morning of Thursday, Nov. 3, according to word received here. Appleton would thus be cut off entirely from railroad connection with the outside world as the Chicago, Milwaukee and St. Paul railroads are included in the first strike order which becomes effective Sunday morning.

## WIFE ABANDONER IS ARRESTED IN APPLETON

Sheriff T. E. Worthing of Fond du Lac, recently came to Appleton to apprehend James Morris of North Fond du Lac who was charged with wife abandonment by his wife Mrs. Mollie Morris.

Morris was found here and the sheriff took him back to Fond du Lac where he was taken into municipal court. His hearing was adjourned till Nov. 2 and upon filing bond of \$500 he was released until that time. Morris formerly was a railroad employee at North Fond du Lac. He has two daughters, aged 12 and 14. Mrs. Morris now is working.

# CLUB WOMEN MEET TONIGHT TO PLAN FOR BIG CAMPAIGN

Every Member of Appleton Womans Club Expected to Attend Meeting

Every one of the thirteen hundred or more members of Appleton Womans club is expected to attend the October meeting of the club in Lawrence Conservatory of Music at 7:30 Tuesday evening. Club leaders will explain the campaign for membership and finances which opens on Wednesday; there will be community singing; Mrs. J. T. Quinlan will sing several solos and Mrs. M. A. Wertheimer will read Dr. King's "Abraham Lincoln." The program is of exceptional interest and the meeting is of great importance because of the start of the campaign on Wednesday. It is believed that if all the clubwomen attend they will become so enthusiastic in the work of the organization to which they belong that it will be an easy matter to "sell" it to the rest of the city. That is especially important, leaders say, because of the need of finances outside of the club membership.

Women in charge of the campaign have been gratified by the expressions of approval and surprise from visiting clubwomen. Those visitors are impressed with the work which the club is doing. It is felt that if clubsters feel that way about the club Appleton people surely will realize its usefulness.

Announcement probably will be made Wednesday of the names of the campaigners in each district. The campaign is to be conducted jointly by the membership and finance committees so that all the work of preparation for another year can be completed at one time.

Bartsch and everyone is invited to attend.

## Sports Council Meets

An important meeting of the sports council of recreation department of Appleton Womans club will be held at 7:15 Tuesday evening at the club rooms. The meeting will be concluded in an hour.

The Young Peoples society of St. Paul church will give a Halloween party at St. Paul school building Wednesday evening. Appropriate stunts and games will occupy the evening.

## Fortnightly Club

The Fortnightly club will meet at the home of Mrs. Eugene Colvin Wednesday afternoon, Oct. 26. The subject will be "William Dean Howells." Mrs. Wilmer Schlafer is the leader.

## Lehmann-Sperl Wedding

Mrs. Augusta Lehmann and Frank Sperl were married at 7 o'clock at St. Joseph church Tuesday morning. They were attended by Miss Laura Gayhart and Ray Lang.

## Halloween Social

A Halloween program will be given at Woodlawn school, district No. 4 town of Grand Chute Friday night under the direction of the teacher, Miss Vera Lockery.

## Engagement Announced

The engagement is announced of Herbert E. Hiltche, New London banker, to Miss Charlotte R. Stubenbanker, daughter of Dr. Carl Stubenbanker of Shawano, formerly of Oshkosh.

## Wednesday Club

Mrs. Rush Winslow, 731 Lawrence st., will entertain the Wednesday club Wednesday afternoon. Miss Frances A. Foster will be in charge of the program.

## Aid Society Party

## Fellowship Meeting

The Catholic Order of Foresters will hold a meeting at Forster home Tuesday evening which will be a "goodfellowship" session. A program emphasizing this feature has been arranged.

## K. K. Hall Party

A private party attended by 25 couples was given at the Knights of Columbus hall Monday evening. Dinner was served at 7 o'clock and was followed by cards and dancing.

## E. F. U. Card Party

The Equitable Fraternal union will give a card party and social next Tuesday evening.

Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation in the lower bowel and a weakening of the parts. Dr. J. S. Leonard was first to find the remedy. His prescription is HEM-ROID, a tablet medicine, taken internally, that is now sold by druggists generally. Dr. Leonard tried it in 100 cases with the marvelous record of success in 98 per cent and then decided it should be sold under a rigid money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-ROID today. It has given safe and lasting relief to thousands of people, and should do the same for you—it seldom fails.

# Cold Morning Cakes

On nippy mornings a heavier breakfast than the one of fruit and toast and coffee has a decided appeal.

Corn meal can be used for pancakes, muffins, breads and the always popular mush. Breakfast dishes of corn meal are nourishing and appetizing and easy to prepare.

There are white and yellow meals and meals of coarse and fine milling.

Beat eggs well and add sour milk. Add this to dry mixture and beat well. Dissolve soda in one cup of the sweet milk and add to mixture. Melt butter in an iron frying pan and pour in mixture. The frying pan should be hot enough to sizzle when the cold batter is poured in. Let stand one minute and pour over the remaining cup of milk. Bake half an hour in a hot oven. Serve hot with butter.

Add meal to boiling water and boil, stirring constantly for five minutes. Remove from fire and add milk. Stir til smooth and add dry

## POTATOES — EXTRA FANCY — POTATOES

A carload of Northern Grown No. 1 Stock of Ripe Potatoes. Every one guaranteed to please you. 5 bushel lots or over \$1.35 per bushel. They are all sacked in 100 pound bags. Car on track at Haug's Coal and Wood Yards, one block West of our store. Come and see them.

W. C. FISH  
"The Busy Little Store"

In certain sections of the country the corn is parched before grinding. This meal makes most delicious fried mush, but is not good for muffins. A very coarse meal should be mixed with white flour when making pancakes, breads, or muffins. The baked dish made of all corn meal would be too crumbly to eat comfortably.

## Corn Muffins

One fourth cup butter, 2 tablespoons sugar, 1 egg, 1 cup milk, 1 1/2 cups flour, 1/2 cup corn meal, 1/2 teaspoon baking powder, 1/2 teaspoon salt.

Cream butter and sugar. Add egg well beaten and mix thoroughly. Mix and sift dry ingredients and add to corn meal. Add dry mixture to first mixture alternately with milk. Bake in buttered gem pans for twenty-five minutes in a hot oven.

## Corn Meal Pancakes

One and one-half cups flour, 1 cup corn meal, 5 teaspoons baking powder, 1 teaspoon salt, 3 tablespoons sugar, 2 cups boiling water, 1/2 cup milk, 1 egg, 3 tablespoons melted butter.

Mix dry ingredients except soda.

Ingredients mixed and sifted. Add egg well beaten and beat mixture. well. Add butter and beat mixture. Bake on a hot, well greased griddle. If the meal is very coarse, use 2 cups of flour and 1/2 cup meal.

## Corn Cake

One and one-half cups corn meal, 1/2 cup flour, 4 tablespoons sugar, 1 teaspoon salt, 2 eggs, 1 cup sour milk, 1 teaspoon soda, 2 cups milk, 1 tablespoon butter.

Two cups corn meal, cold water, 6 cups boiling water, 2 teaspoons salt.

Put corn meal in a large kettle and add just enough cold water to make a smooth paste. Add boiling water, stirring constantly. Cook, stirring to prevent burning, for half an hour. Then cook for an hour and a half in the oven. Pack in a well buttered brick bread pan or pound-baking powder can and let stand over night. Remove from pan and cut in thin slices. Fry in frying pan in hot fat or drippings. If crisp and dry mush is preferred, fry slowly. Serve with maple syrup. (Copyright, 1921, NEA Service)

Friday evening which will follow its regular business session. Prizes will be awarded.

# CUTICURA HEALS ITCHY ECZEMA

On Back and Arms for Eleven Months. Could Not Rest.

"Eczema broke out in a rash on my back and arms and itched and burned so severely that I scratched and irritated them, and large scales came off. My clothing aggravated the breaking out on my back, and I could not rest at night. The trouble lasted about eleven months. I sent for a free sample of Cuticura Soap and Ointment and they gave me relief. I purchased more, and after using three cakes of Soap and two boxes of Ointment I was healed." (Signed) Walter J. Longstreth, 6861 Southwest Ave., St. Louis, Mo. Use Cuticura for all toilet purposes. Sample each free by mail. Address: "Cuticura Laboratories, Dept. H, Malden, Mass." Send for where Soap, Ointment and Pills. Taken from "Cuticura" Soap saves without me.

## COB SNEAKS OFF

The best that Sprinkle-Blow could do to please the folks was to fill his orders as they came, just as the grocery-store man does. And Cob Coon and Chris Crow got in their orders first. Farmer Smith would have to wait.

So Mr. Moon was told to hide his face behind a cloud that night and it was as dark as Robinson Crusoe's man Friday. Cob Coon slid down the inside of the hollow sycamore to his basement door.

"Popping pop-corn!" he cried. "It's so dark I can't see the rings on my tail. Isn't Sprinkle-Blow fine to send such a night with no moon at all, at all! I can taste that lovely juicy Yellow Bantam corn this minute, as well as though it were right in my mouth." And his mouth started to water like everything.

But he didn't lose much time trying to imagine the taste of Farmer Smith's corn when the real thing was hanging right within his reach not a hundred yards away. Off he leaped with his head low, nosing his way through the grass and low bushes to the corn field.

On the edge he stopped. Such a delicious fragrance met his nostrils that it fairly made him dizzy with delight; the fragrance of sweet, juicy roasting-cars waiting to be picked

"Oh!" he couldn't help exclaiming into the dark. "Do you smell that? And that? And that? I hope Mr. Moon will stay away for six weeks so that Don the Dog will have to stay at home and mind his own affairs. As for me, one doesn't have to see in

## SCOUTS MAY JOIN COUNTY COUNCIL

Future of Kaukauna Scout Council Depends on Investigation

Kaukauna—Whether the Kaukauna council of Boy Scouts will remain an independent organization under a second, class charter or will affiliate with the Appleton council with a view of establishing an Outagamie-co. scout council, depends upon an investigation by a committee consisting of F. M. Charlesworth, Jr., president of the Kaukauna Scout council and W. F. Ashe, scout commissioner, who were empowered to act as their judgment dictated and report at a meeting of the council Thursday, Nov. 24.

This action was taken at the annual meeting of the scout council following a banquet at 7:30 Monday evening at Grand View hotel. It was the first meeting since the organization of the council a year ago. The council has a membership of 40 members. President Charlesworth presided and explained that the main purpose of the meeting was to discuss the future of the organization. The plan of affiliating with Appleton and of encouraging a countrywide council together with the duties and privileges of an organization under such conditions was presented by Commissioner W. F. Ashe. Open discussion followed which ended with the appointment of the committee to investigate and act in the interests of Kaukauna's boys.

Reports from George Dogot, secretary, and Hugo Weisenbach, treasurer, were given. Lyle Webster, scoutmaster gave a report of the activity of the scout troop for the last year. William "Garvey," scoutmaster, gave an account of the trip with the Appleton scouts and the two weeks' camping outing at Waupaca. The meeting was adjourned until Thursday, Nov. 24.

Elected to Office

Leo G. Schussman, superintendent of Kaukauna schools and principal of the high school, was elected to the vice presidency of the Northeastern Wisconsin Teachers' association at the twenty-eighth annual convention in Green Bay, Oct. 21 and 22. Prof. W. P. Hagman, director of the Outagamie-co. Training school, was re-elected secretary. C. H. Plenske of Menasha, was elected president.

Prof. Schussman was one of the speakers at the sectional meeting for superintendents Friday afternoon. Miss Adeline Cooke, member of the high school faculty and librarian, was a speaker at a sectional meeting of librarians.

Paschens Entertain

Mr. and Mrs. Henry Paschen, Town of Harrison, entertained Sunday afternoon and evening. Supper was served to about 30 relatives and friends. Among those in attendance were: Mr. and Mrs. William Miller, Herman Paschen, Mr. and Mrs. Albert Reinholz, Victor Lang, Miss Bessie Paschen, Charles Alberts and son Melvin, Kaukauna; Mr. and Mrs. Fred Paschen and children of Green Bay.

PLAN TO REORGANIZE  
COOPERATIVE SOCIETY

Madison—The Wisconsin Co-operative society will apply to the railroad commission for permission to reorganize its methods of doing business to comply with the state securities law, its attorneys said on Monday, when a trial of the company for alleged violation of the state co-operative association law opened before Judge E. Ray Stevens in Circuit court. The attorneys declared they would agree to dissolution of the present organization, as asked by the state if authorized to introduce another plan of co-operative business.

## ARREST YOUTH FOR ENTERING STORES

Young Man Held on Charge of Burglary and Stealing an Automobile

Kaukauna—Harold Finnegan, a Green Bay young man, is being held by Green Bay authorities charged with stealing a car from a prominent Green Bay doctor. As a result of fast work on the part of Kaukauna officials, Finnegan also was arrested as the thief who entered Mulholland's Tea Shop the Butler-Dietrich Co. hardware store last Friday night. Practically all the loot was recovered. Officer James McFadden saw the young man near the hardware store on the north side and questioned him. McFadden took the license number of the boy's car and investigation showed it belonged to a Green Bay official. Inquiry at the address given by the young man resulted in information that he is almost wholly deaf. His affliction had apparently affected his mind. He was on probation from the Green Bay court for previous offenses.

## MANY LEADERS IN SCOUTING COMING

Nationally Prominent Men Will Attend State Conference Here

Besides James E. West of New York, chief scout executive of the Boy Scouts of America and Lorne W. Burdick of New York, director of the department of scout education, several other nationally recognized leaders in scouting will attend the conference of state scout executives here Friday and Saturday of this week, according to word received by Scout Executive Howard Buck.

J. P. Freeman of Chicago, assistant national field director, Walter M. Kiplinger of Chicago, regional scout executive of Illinois, Indiana, Michigan and Wisconsin; W. B. Wylie of Chicago, deputy regional scout executive; C. N. Meserve of St. Paul, regional scout executive for Minnesota and adjacent states, and Wilson Rutherford, assistant executive of Milwaukee all will attend the meeting.

State scout executives who will be here for the conference are F. C. Rogers of Racine, J. A. Botkoff of Menomonie, G. C. Driesbach of Wausau, A. B. Burgess of LaCrosse, Paul Simonds of Sheboygan, A. J. Zimmerman of Bay City, M. B. Sackett of Deloit, F. M. Yordy of Fond du Lac, J. B. Guthrie of Rhineland, D. O. Foxwell of Kenosha, A. C. Jones of Stevens Point, and Thornton Wilcox of Marinette. E. H. Redman, scout commissioner of Marinette will attend the conference.

## DEER HUNTING IS TO START NOV. 13

Hunting activities will be transferred Sunday, Nov. 13 from the marshes in nearby lakes and rivers to the forests of the north, for on that date the deer hunting season officially opens. Several local nurms

are making their preparations to hunt the larger game while the season lasts. Only bucks one year old and over legally may be killed.

The season for hunting squirrels, coon and skunk, opened several days ago and continues until Jan. 13. Five is the bag limit for squirrels. The mink and muskrat trapping season is from Nov. 1 to March 31, inclusive.

Trapping of valuable fur bearing animals must be done under a special license costing \$5, and only in a limited number of counties. A distinctive tag, costing 50 cents, must be attached to the head of each skin as removed from the carcass, and remain there until the skin is made into a fur garment.

## LIMESTONE COMPANY ENLARGES ITS PLANT

At a special meeting in Black Creek recently, the Outagamie Limestone company made arrangements for the creation of new buildings to take care of its business.

One building planned is to contain nine bins for crushed stone or a capacity of 100 carloads. Work on the foundation has already commenced. The company has ordered a pulverizer so that it will be prepared to convert limestone into fertilizer.

The company's offices now are located in the Northwestern Hotel at Black Creek. At the special meeting E. H. Schultz was elected secretary and treasurer to succeed Dr. J. B. Huch.

## PRICE DROP ONLY AID TO FARMERS

Farm Publication of First National Bank Shows Dairy Farmer's Situation

Boys and girls of the calf club monopolized the October issue of Farm News, publication of the First National Bank. A review of the calf club roundup here, the trip to the state fair and accompanying events are given in considerable detail. A panoramic photograph of the roundup and smaller group pictures illustrate what the youths of Outagamie

co. arms are doing in the purebred cattle movement.

An inkling of the farmer's problem is given in a quotation of R. S. Powell, president of the bank, from an address given recently at meeting of the Marathon County Bankers association. Mr. Powell says: "The decline in prices of farm products was more drastic than in other commodities. If the farmer was able to exchange his commodities for such things as he requires upon the old basis, the problem of recovery would be simplified, but unfortunately he can't, and therefore we freely predicted last July that there must be a change in prices. Either milk, hogs, cattle, grain and wool must advance, or clothing, shoes, machinery and equipment must undergo a further decline of prices. In other words, the farmer must be able to exchange his merchandise upon the same relative basis as in the past, or he can't buy upon the old scale and in the same quantity."

It is shown in the bulletin that dairy farmers are better off now than in 1913 because of the low price of bran. Bran in ton lots is selling at \$10 out of the car, or about 30 per cent below the price of bran in November, 1913, when it was \$24 a ton. Milk testing 3.5 per cent fat brought \$1.25 a hundred pounds in 1913. The same test milk now is bringing \$1.60—while bran is \$3 a ton cheaper than in 1913.

Excerpts from letters written by farmers concerning Golden Glow corn indicate that the results from seed obtained through the bank were highly satisfactory. The use of this variety is expected to be more general throughout the county next year because of the remarkable results obtained.

While the inventor is not exhibiting his machine, he has shown his friends some of its work which differs very little from that done by the cutters used by well known tobacco houses. Mr. Ferron raises his own tobacco and was in need of a device with which to properly cut it.

**TO maintain a happy home the housewife must keep in good health.** Her duties are many and various, and it seems as if every other member of the family depended very much on her. "Where is my hat?" cries the boy. "What did you do with my coat?" asks the daughter. "I can't find any handkerchiefs," yells the husband. The housewife is usually the advisor and general manager of the family.

Lydia E. Pinkham's Vegetable Compound helps women to maintain a happy home by keeping them in good health.

Bloomington, Ill.—"I have taken six bottles of Lydia E. Pinkham's Vegetable Compound and it has done me a wonderful sight of good. I was never very strong and female trouble kept me weak so that I had no interest for my housework. I had such a backache I could not cook a meal or clean up a room without raging with pain. I would rub my back with alcohol and it would ease for a few hours, but after I had taken three bottles of Vegetable Compound my aches began to gradually leave me. Now I am as strong and healthy as any woman and I give my thanks to Lydia E. Pinkham's Vegetable Compound for my health."—Mrs. J. A. McQuerry, 610 W. Walnut St., Bloomington, Ill.

Dante, So. Dakota.—"I would have pains and cramps every month until I could hardly stand it and could not do my work at all at that time and often had to go to bed. I went to a physician, but he did not do me much good and said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in the newspaper and thought I would give it a trial. Now I feel lots better and don't have to give up and go to bed, and can do all my work. You may use these facts as a testimonial, and I will answer with pleasure all letters I receive, and you may be sure I will praise your wonderful medicine."—Mrs. ARTHUR J. ## ASK HOTEL OWNERS TO REDUCE PRICES

Stating that hotel rates in Wisconsin are excessive and should have been reduced in proportion to other living costs, members of the Travelers' Protective association of America adopted resolutions at a meeting in Milwaukee recently asking 1,800 Bangor hotel owners to grant cheaper rates for rooms and meals.

Copies of the resolutions have been forwarded to every hotel owner.

The resolutions adopted were: Whereas, so many complaints have been received from members of this division residing in different parts of the state, who by their occupation are forced to travel, bringing to our attention the excessive charges of the majority of our state hotels for rooms and meals.

Therefore Be It Resolved, that we petition the hotel proprietors throughout the state to adjust their rates so as to reduce their prices to conform with the prevailing prices on other service and commodities.

## Evans' Triple Phosphate Puts Good Solid Red-Blooded Healthy Flesh on Your Bones

And Makes You Feel 100% Better At Same Time

What difference does it make to you how EVANS' TRIPLE PHOSPHATE puts good, solid, red-blooded, healthy flesh on your bones as long as it does it and makes you feel 100% better at the same time?

Evans' Triple Phosphate is something new and something that really does what is claimed for it. Start to take it today with each meal, and in four days you'll know that you are growing more robust and feel stronger and more active. Continue with the treatment faithfully for 10 days more and note with satisfaction that your nerves are growing more responsive; that your ambition does not lag, but is cheerfully obedient to your

wishes, that a touch of color is appearing in your cheeks and that our occupation ceases to become a task and is a pleasure. Notice that never before in your whole life have you enjoyed living as you do today. Weigh yourself at the end of one month and let the scales tell the story.

All good druggists have agreed to supply thin, run-down, underdeveloped persons with the understanding that if one month's treatment doesn't give most gratifying results your money is waiting for you. But don't take it even though it accomplishes wonders in nervous digestive troubles and as a general nerve tonic, unless you really want to put on flesh and gain weight.

## 3 FAST PRELIMS WILL OPEN FIRST MAT PROGRAM

Osman Expected Here Early  
Wednesday for Match  
With George Hill

Three class preliminary bouts have been arranged for entertainment of the fans who journey to Armory G Wednesday evening to see George Hill match his headlock with the body scissors of Kara Osman, the Polish asprant for the wrestling championship. Promoter Elmer Johnston has secured the fastest amateur wrestlers in the city for the opening bouts.

The opening card follows:  
Keith Nickerson vs. Marvin Vaughn, 115 pounds.  
Milo Swanton vs. Willard Pace, 145 pounds.  
Ralph Thomas vs. Herbert Stoker, 158 pounds.

Mr. Johnston also is arranging for a bout between two mosquito weights. Hill wound up his training for the match on Tuesday by walking about eight miles. He says he is in good condition as he ever was. If Osman beats him it will not be because of Hill's poor condition.

Osman is expected here Wednesday noon from Chicago. He left his training quarters in Florida last week in order to become acclimated before meeting Hill. It is likely the big Pole will make his headquarters in Chicago the rest of the season.

## HIGHS TO PLAY WAUPUN TEAM HERE

Prison City Team Has Aspirations for Southern Championship

With confidence oozing out from every pore, Coach Vincer's high school pugkin chasers have started work for the game with Waupun on Lawrence field next Saturday afternoon. Waupun is hard after football honors in the central part of the state. It is coming up here with a really excellent team, according to reports, and expects to give Appleton a hard battle.

The local team is showing vast improvement since Coach Roach went in to quarterback. He is doing much better in that position than as a half-back while Zussman, former quarterback, is a fine backfield man.

A desire to save a little money probably forced the local school out of the state high school championship race. It is more than probable that if the Orange and Blue team had gone to Antigo by train and had been kept warm it would have beaten the northern school. The trip by automobile chilled the players so much they could not play their best and Antigo walked over them.

Tappert played a good line plunging game last Saturday. He waded through the West Green Bay line for several good gains and was sure of a few yards every time he carried the ball. Bonini also is showing considerable improvement. He will be a valuable man for a college team when he finishes high school.

### GETTING STARTED ON BASKETBALL LEAGUES

Organization of the industrial and commercial basketball leagues is under way, by R. H. Starkey physical director of the Y. M. C. A. Entry blanks are being sent to prospective factory teams. The leagues will be divided into two divisions to have teams in the classifications in which they are suited. Thus far the Kimberly-Clark company, the Meyer Press, Valley Iron Works, Appleton Woolen Mills, and the Appleton Machine company have agreed to enter teams in the league.

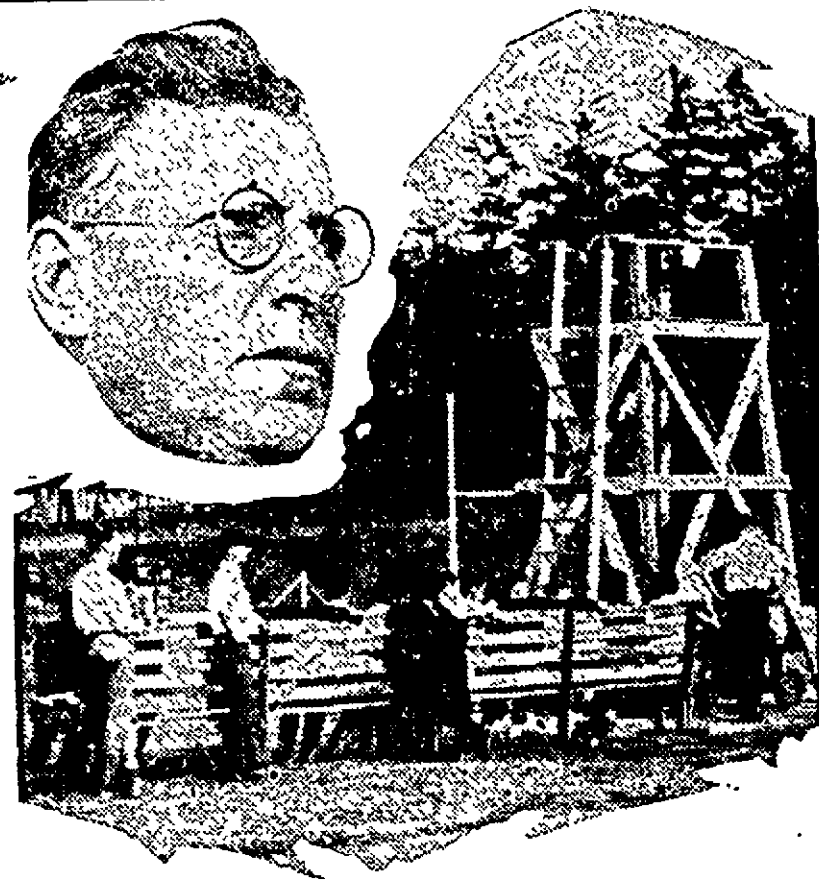

Because of the industrial depression and conditions it will be hard for some of the other mills to enter teams. All games will be played in the Y. M. C. A. gymnasium and according to amateur rules.

### RACINE GRID TEAM CLAIMS STATE TITLE

Racine, Wis. — The American Legion football team of this city has laid claim to the professional football championship of Wisconsin. The legion eleven's victory over the Beloit Fairies two weeks ago by a score of 3 to 0 is said to be the reason for its laying claim to the honors. Beloit won the championship last year.

COMING BIG 5 DANCE.

## Coach Uses Tower

Coach Sanford and His "Crow's Nest."

New Brunswick, N. J.—George Sanford, the former Yale star, is responsible for Rutgers' rise in the football world. He has coached at Rutgers for eight seasons and last year, for lack of material, had a poor team.

In a certain sense, the gridder he had last year were not meant to win games; it was a sort of a farming out for this year's schedule. This year he has been blessed with a wealth of good ones and, added to the trained ones of last year, it has given the Scarlet an eleven as powerful as those of its golden days.

Coach Sanford is nationally known for his many new plays and clever football innovations.

This season he has introduced a coaching tower device for directing afternoon scrimmage. It is built on wheels and can be pulled along the sidelines, so that the coach, standing on the platform of the tower, commands a full view of the team as a whole and can get a definite idea of the success of any formation.

The tower is made of wood. It is 16 feet high and has been properly dubbed the "crow's nest."

## HUGGINS' DAYS WITH YANKS ARE NEARING AN END

New York Fans Are Demanding  
That Yankee Manager  
be Given Date

By Henry L. Farrell

By United Press Leased Wire  
New York—Miller Huggins piloted the Yankees to the American league championship and ran the world series to eight games before he dropped out.

Other managers would have been given credit for a pennant even if he should have won.

But not so with the former Cincinnati star. Huggins is still being passed about by the New York fans.

It isn't usual for a pennant winning manager to be recommended for the "gate" but that is Huggins' share of the laurels.

New managers are already being talked of among the Yank following. Some say it will be Babe Ruth, who has the pleasant task of signing a new contract this year. Others have it that Eddie Collins will come from the White Sox in a trade to succeed the present pilot. Still others have the word that Roger Peckinpaugh, whose wobble lost the last game of the series, is to be the new pilot.

Even while the series was on these stories were fanned about. It was even said that Huggins had agreed to manage the St. Louis Cardinals late in the race last year. When he was almost forced to resign by an insurrection of the players.

After the second western trip of the club had started, it was reported that Huggins was the manager in name only. He never appeared on the field and Ruth and Peckinpaugh did most of the directing.

Huggins contract has expired.

## HARVARD POINTS TEAM FOR GAME WITH CRETE

New York—Comparative quietness hung over the big eastern football fields on Monday. After hard games on Saturday, the big university squads were left off with only a mild workout. Harvard's crimples were being given the attention of a big squad of doctors, who hope to have all the regulars for the Center game on Saturday. Yale came out of the Army game in good shape and is not expected to be pressed hard on Saturday against Brown. The battered Princeton eleven will nurse Louie and Garvey through the week, hoping to have them in shape to go against Virginia this week.

The winter abroad, where he will give expensive boxing lessons to European champions. Lots of good feathery would like to fight him here at home. Lots of babies cry for the moon too. Little Johnny Buff holds the heavyweight title this week and he hasn't fought since he won it from Pete Herman. Joe Lynch or Pete will come back and knock Johnny loose from his derby sometimes this winter. Anyway, there's plenty of work for him as long as he associates with that championship.

## PRINCETON STARS ARE GETTING BACK IN GAME

By United Press Leased Wire  
Princeton, N. J.—Don Louie and Hank Garvey, Princeton's pair of star backfield men, are both ready to pay Saturday against Virginia. Coach Roper is confining his attention to the selection of two new ends for the coming "big three" games.

## Hoyt On Stage

Waite Hoyt, pitching star of the Yankees in the 1921 world series, has joined the ranks of vaudeville. At Peoria, his stage partner, is shown making the young twister for his act.

## LAWRENCE TEAM BEGINS POINTING FOR RIPON GAME

Easy Schedule for Next Two  
Weeks Gives Squad Time  
to Prepare

With the first formidable contender for the Little Five conference championship out of the way, Lawrence college football players have started preparations for the biggest game of all when Ripon comes here Nov. 12. Next Saturday the team plays Northwestern college at Watertown and the following Saturday is an open date. The Watertown game should be easy for the Blue and White, thus giving plenty of time for preparation for the homecoming game with Ripon.

About half of the Ripon team was in the grandstand last Saturday watching Lawrence defeat Beloit. But they didn't see much. Lawrence kept its pet plays under cover and if the Ripon fellows expected to get a line on McChesney's formations they went home disappointed.

Practice will be pretty much secret hereafter. Lawrence is not taking any chances on Ripon learning its plays and therefore is excluding all spectators from the field.

There is a possibility that Lawrence will lose some of its players unless townspeople come to the rescue and offer jobs to the men who are trying to work their way through school. Every effort has been made to find jobs for those men but thus far they could not be taken care of. If there is anyone in Appleton who has work which a college student can do after school or in his spare time he will be doing Lawrence a real service by communicating with Coach H. D. McChesney. His telephone number is 2930.

## CANADIAN VESSEL IS WINNER IN BOAT RACE

By United Press Leased Wire  
Halifax, N. S.—The Blue Nose defeated the Elsie Monday afternoon in the international race for the fishermen's trophy. The winner's time was five hours, 13 minutes, and 8 seconds.

The Canadian vessel was about a mile ahead at the finish.

By her victory the Blue Nose gained possession of the trophy emblematic of the fishermen's championship of the North Atlantic which was held by the American defender Elsie.

## CHILDREN'S SECTION OF LIBRARY TO OPEN SOON

The Appleton Public library will not join with other libraries of the state in observance of "Children's Book week" which is to be held Nov. 13 to 19. The children's department of the local library is now being enlarged to twice its original size. Shelves are being put in the old magazine reading room which will be devoted to children and children's books. The plan is to put more books in the home and hands of the children.

The opening of the children's department will be held some time in December.

## FASSLER and CLEVELAND to Take Appleton Off its Feet!

Taken both figuratively and literally that is what Fassler will do with the Cleveland Motorcycle.

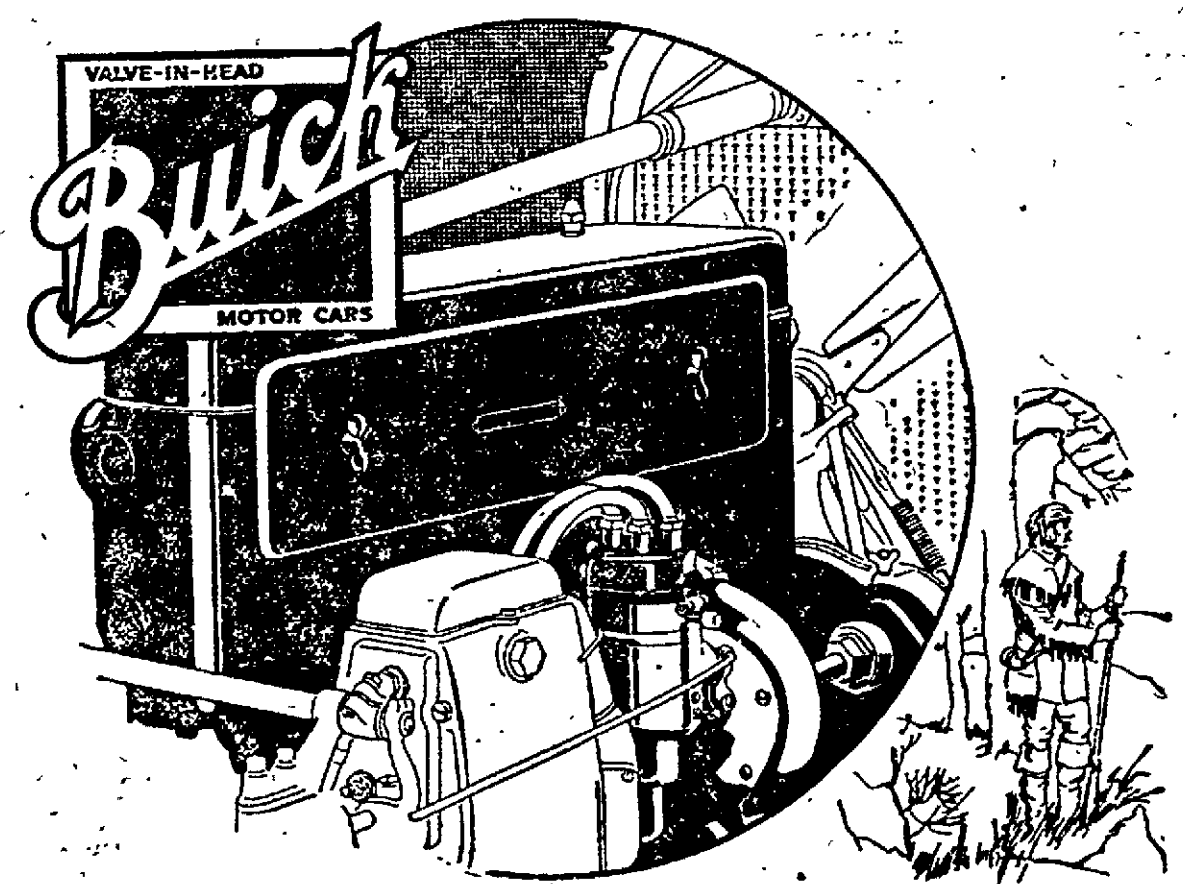

The Cleveland is probably the most remarkable motorcycle manufactured in the country. Its two-stroke motor, without valves, gives it dependability. Its light weight makes it one of the safest automotive vehicles to ride. The same feature makes it extremely economical—75 miles to the gallon of gasoline, 12,000 to 15,000 miles to the tire!

The Cleveland is wonderfully comfortable and very handsome in design and finish. Wherever the 1922 Cleveland has been shown it has become popular immediately, because it is the right type of motorcycle at the right price. It appeals to all classes as an economical, convenient, comfortable means of transportation to and from work or for pleasure.

The Cleveland will win Appleton! Watch for the trim, blue, black and cream finished motorcycle on the streets. Just as easy to control as a bicycle. Only 175 pounds—low saddle—touch the ground easily with your feet. Come here with your friends—inspect it and ride it—and you'll talk "Cleveland" as enthusiastically as we do.

State Treasurer Refuses to Provide Emergency Teachers' Retirement Fund

Madison.—State Treasurer Henry Johnson, in refusing to approve of an emergency appropriation of \$27,500 for the administration of the teachers' retirement fund, in his report to Gov. John J. Blaine raises the question as to the constitutionality of a school board after employing a teacher with holding 5 per cent of her salary to be placed in the fund, and whether or not the state has the constitutional right to raise the special tax provided for in the law.

Mr. Johnson's letter to the governor says in part:

"At a meeting held in your office on Oct. 17 the teachers' retirement board asked from the emergency board an appropriation of \$27,500 over and above the \$12,000 appropriated by the legislature for the purpose of carrying on the work of that department. As a member of the emergency board I objected to the excessive amount and you had the matter referred to me for investigation.

"I am enclosing you a statement furnished me by the board from which you will see that the amount of forty thousand dollars may easily be expended by doubling up on salaries and employing 25 extra persons, as their statement indicates. Besides, I was told that it may be necessary to employ field agents for the investment of the funds at a cost of \$10,000 per year. If these funds were turned in to the land commission to be loaned out the same as other trust funds for the purpose of building and improving school houses, which ought to appeal to the teachers, there would be no extra cost whatever against the fund. The land commissioners have more applications for funds for this purpose than they are able to take care of.

"We have carried on teachers' retirement insurance for the past eight years at a cost of about \$5,000 per year. I have made comparisons with the state life insurance which is handled by the insurance department, and find the actual cost of the latter is \$300 per year. The state fire and tornado insurance, which is handled by the same department, carries insurance to the amount of sixty-seven million dollars. Both the insurance and the investment of funds is less than \$2,500 per year.

"I am satisfied that if the teachers' insurance was placed under the supervision of the state insurance department, which has an actuary, machinery for running insurance departments with room and vault space sufficient to take care of the records, it would not even cost \$12,000 per year, and there would be no call for any emergency fund.

"In connection with this matter and for your consideration I would like to suggest, in order to avoid trouble in the future, that an opinion be obtained from the attorney general or the court on two points. Can the state, after the school board has entered into a contract with a teacher for a certain amount for teaching, deduct five per cent from her monthly salary and deposit that in a fund without her consent? The second point is this. Can the state levy a special tax for the special purpose of providing a retirement fund as is done under this new teachers' retirement law?"

"Ten years ago I received such wonderful help from your medicine for my stomach trouble that I have recommended it to hundreds of other sufferers. Recently a friend of mine whose brother in a distant city was stricken with acute indigestion and was not expected to live, got his brother to take a bottle on my advice. I have just received word that his brother was holding his own, and I am confident that May's Wonderful Remedy will entirely restore him." ## SMALL FAMILIES

Madison, Wis.—Big families of the olden times are out of the question today.

This is the opinion of Prof. E. A. Ross, head of the University of Wisconsin Sociology Department, who, 20 years ago, coined the expression, "race suicide."

"The nation today is gaining enough population by reduction in death rate, compared with the birth rate, to meet the situation which 20 years ago was considered alarming," says Prof. Ross.

That is why he now is in favor of small families.

"Nobody, 20 years ago, could have foreseen that life would be saved as we are saving it," Ross said. "Certain diseases that reaped a heavy death toll have been successfully combated. As a result, the death rate has fallen off one-quarter since 1910."

"Under the circumstances large families would make our population grow so fast that starvation would eventually result."

Prof. Ross' three sons are an indication as to what he thinks is the proper sized family.

## AGED MAN FALLS SIX FEET DOWN ELEVATOR SHAFT

John Voss Suffers Slight Injuries When Another Workman Moves Elevator

Backing into an open elevator shaft pulling a loaded hand truck, John Voss, 67, fell six feet in mill No. 3 of the Fox River Paper company's plant here Monday afternoon.

The police ambulance was called and he was hurried to St. Elizabeth's hospital where an examination showed that bruises about the head and shoulders and a cut on the back of his head were the extent of his injuries.

Voss had taken the elevator to the second floor for the purpose of removing the loaded truck. While he was bringing the truck to the elevator another workman started down on the elevator and the accident resulted.

The injured man's condition was considered favorable Tuesday.

### SUBSCRIBE TO LOAN FOR GOLD MINE COMPANY

The special meeting of stockholders of the United Gold Mining Co. held at Eagle hall was well attended, and after the financial conditions of the company, both as to past and future needs, was gone over, the stockholders subscribed for their full allotment of a voluntary loan on a basis of 2 cents per share. It was figured out that nearly \$20,000 would be needed to put the mine on a paying basis for the next three months which included an indebtedness of nearly \$5,000. The plan is to get the mill in operation within the next 30 days and it is expected that the profits during the winter will be sufficient to build a granite plant and provide a working capital. The stockholders consist almost exclusively of Appleton businessmen.

## Painful Rheumatic Swellings Disappear

Discoverer Tells Schlicht Bros. Co., Voigt's Drug Store, Union Pharmacy and All Good Druggists Not to Take a Cent of Anyone's Money Unless Allergic Completely. Banishes All Rheumatic Pains and Twinges.

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers.

Schlicht Bros. Co., Voigt's Drug Store and Union Pharmacy have been appointed agents for Allen's in this vicinity with the understanding that they will freely return the purchase money on the first two bottles to all who state they received no benefit. adv.

## EXPORT DEMAND HELPS GRAIN PRICE

By United Press Leased Wire  
Chicago—Grain went higher in trading in the Chicago grain market Tuesday. The market was irregular at the opening but diminished receipts brought higher prices. There were also reports of an increased export demand which gave the market a firmer tone.

Provisions were irregular. Wheat, December, opened up 1/4 at 1.08 1/2 and closed up 1/4; May was unchanged at the opening of 1.12 1/2 and closed up 1/4.

Corn, December, started off unchanged at 48 and closed 1/2 higher; May opened off 1/2 at 53 1/2 and closed 1/4 higher.

Oats, December, opened at 33 1/2, up 1/2 and closed up 1/2; May opened up 1/2 at 35 and closed up 1/2.

## THE PETTIBONE-PEABODY CO. THE OCTOBER SALE

# RUGS

Genuine Imported Chinese Matting Rugs \$2.95 For the Large Room Size

AN OCTOBER SALE ITEM WE HADN'T EXPECTED—last week we attended a sale of unclaimed railroad shipments. Such a sale is one of the greatest of all wholesale bargain counters. The railroad is willing to dispose of such merchandise at almost any price for immediate selling.

It was just such an opportunity that brings this phenomenal price—MATTING RUGS AT \$2.95.

There are about fifty rugs in the lot — all are the large room size of 9 feet by 11 feet, 8 inches. These large rugs come in characteristic Oriental designs in floral and conventional patterns. The colors are especially pleasing.

A customer remarked today that matting rugs were so good for sewing rooms and bedrooms—and for every other room as well. Few floorcoverings look so fresh and clean—or few are so easily swept.

The rugs are firmly woven and nicely finished. Such a rug normally sells at \$6.50—in the October Sale they are LESS THAN HALF THE PRICE. While these rugs last we offer them at only \$2.95.

Every rug is in perfect condition. —Third Floor
